Re: *In re Lehman Brothers Holdings Inc.*, Chapter 11 Case No. 08-13555 (SCC)
Compensation Claimants Proposed Findings of Fact and Conclusions of Law

Dear Judge Chapman:

We write on behalf of the Compensation Claimants who participated in the Evidentiary Hearing before the Court on April 1-3, 2014, opposing Lehman's Omnibus Objections to their compensation claims.¹ As the Court knows, we served proposed Findings of Fact and Conclusions of Law last month and filed them with the Court under our letter of July 2. In our July 2 letter we advised the Court that we anticipated a Reply after reviewing Lehman's proposals.

Two weeks ago, on July 8, Weil Gotshal filed and served a Reply to Claimants proposed Findings and Conclusions, along with Lehman's own proposed Findings and Conclusions. We do not agree with Weil Gotshal's conclusion that only Lehman is entitled to a Reply (Weil's July 8 letter). However, we see no points made in Lehman's proposed Findings and Conclusions not addressed in our submission and, in the absence of instructions from the Court, we will not be filing a Reply.

Respectfully submitted,

Richard J. Schager, Jr.
